## Rainbow Smoothie\*

Makes 2 servings (1 serving ≈ 8-10 ounces)

- ½ cup (cold) green tea
- 1 cup hemp or almond milk (unsweetened)
- 1–2 tablespoons **chia seeds**, whole or ground
- ¼ teaspoon **cinnamon**
- 1/8 teaspoon ginger (dried) or 1/2 teaspoon fresh ginger, minced
- 1 tablespoon fresh lemon juice

- ½ cup (no sugar added) frozen strawberries
- ½ cup (no sugar added) frozen mangoes
- 1 cup packed baby **spinach**

#### **Directions**

1. Add prepared green tea, hemp or almond milk to blender. Then add the rest of the ingredients in the order listed ending with baby spinach. Blend at very low speed until ingredients are mixed then gradually increase speed to high and blend well for 1 minute. Serve immediately.

(If unable to serve immediately, please omit chia or other seeds as gelling will occur and it will be less palatable.)

**Options:** Add 1-2 scoops protein powder, 1-2 tablespoons nut butters or ground flax or hemp seeds or a combination of these options to add quality protein, healthy fats and fiber to this smoothie. If using fresh fruit be sure to add ½-1 cup ice to mixture to desired thickness.

<sup>\*</sup>Add ¼ to ½ cup ice to increase thickness if desired

# **Layered Triple Green Frittata**

Makes 6 servings

- 6 organic eggs beaten
- 2 tablespoons organic plain Greek yogurt or water
- 2 teaspoons chopped fresh **thyme**
- ¼ teaspoon freshly ground black pepper
- ½ teaspoon freshly grated nutmeg
- Sea salt
- 2 tablespoons extra-virgin olive oil
- 2 cups thinly sliced **leeks**, white and green parts
- 4 cups stemmed and chopped **Swiss chard, kale or spinach** in bite-size pieces
- 1 cup cherry tomatoes, halved
- 2 tablespoons freshly grated organic Parmesan cheese (optional)

#### **Directions**

- 1. Position one oven rack about 6 inches below the broiler and another rack in the center of the oven. Preheat the oven to 375° F.
- 2. Put the eggs, yogurt, thyme, pepper, nutmeg, and ½ teaspoon of salt in a bowl and whisk until the eggs are frothy and only very small lumps of yogurt remain.
- **3.** Heat the olive oil in an ovenproof skillet over medium heat. Add the leeks and a pinch of salt and sauté until just golden, about 6 minutes. Put the Swiss chard on top of the leeks and sprinkle a pinch of salt over the chard. Cover and let the chard steam just until it begins to wilt, about 2 minutes. Arrange the tomatoes on top of the chard.
- **4.** Pour the egg mixture over the tomatoes and make sure it seeps through the greens; you may need to gently shift the greens a bit to help with this. Sprinkle the Parmesan cheese over the top.
- **5.** Bake on the center rack of the oven for 10 to 15 minutes, until the eggs are set. Turn the oven to broil and move the skillet to the top rack. Broil for 1 minute, until the cheese and almond flours are golden brown. Serve hot or at room temperature.

**Variations:** Make this frittata dairy free by substituting 2 tablespoons of water for the yogurt and omitting the cheese. Feel free to substitute spinach or kale for the chard.

# **Magic Mineral Broth**

Serving size: 6 quarts

- 6 unpeeled carrots, cut into thirds
- 2 unpeeled **yellow onions**, cut into chunks
- 1 leek, white and green parts, cut into thirds
- 1 bunch **celery**, including the heart, cut into thirds
- 4 unpeeled red potatoes, quartered
- 2 unpeeled Japanese or regular sweet potatoes, quartered
- 1 unpeeled garnet yam, quartered
- 5 unpeeled cloves garlic, halved
- ½ bunch fresh flat-leaf parsley
- 1 8-inch strip of kombu
- 12 black peppercorns
- 4 whole allspice or juniper berries
- 2 bay leaves
- 8 quarts cold, unfiltered water
- 2 teaspoons sea salt

#### **Directions**

- 1. Rinse all of the vegetables well, including the kombu. In a 12-quart or larger stockpot, combine the carrots, onions, leek, celery, potatoes, sweet potatoes, yam, garlic, parsley, kombu, peppercorns, allspice berries, and bay leaves. Fill the pot with the water to 2 inches below the rim, cover, and bring to a boil.
- 2. Remove the lid, decrease the heat to low, and simmer for at least 2 hours. As the broth simmers, some of the water will evaporate; add more if the vegetables begin to peek out. Simmer until the full richness of the vegetables can be tasted.
- **3.** Strain the broth through a large, coarse-mesh sieve (remember to use a heat-resistant container underneath), then add salt to taste.
- **4.** Let cool to room temperature before refrigerating or freezing.
